It is a natural amphitheatre through which the Vltava River flows, filled with a thousand years' worth of manmade structures with aspirations greater than simply satisfying basic human needs. Its prime, yet sensitive, location in the heart of Europe is at the confluence of trade routes, political interests, and cultural

influences. While this has never assured the city of a peaceful history, it has certainly guaranteed it an eventful one. Prague's history is one written by fire and sword, as well as by pen, paintbrush, chisel, carpenter's axe, and stonemason's trowel. As a reference point in the classification of cityscapes, Prague is often likened to Rome. In the sense that both cities are ageless, this is a suitable comparison. Arrive at the hotel, check-in, freshen up and then proceed for your transfer for dinner at an Indian Restaurant.

Day 07 : Prague

After breakfast, we take you on a city tour of Prague today. The guided city tour of Prague includes the Golden Prague: State Opera, the National Museum and Wenceslas Square & Charles Square to the Banks of the river Vltava and across the river to Prague Castle. There a walk around the castle courtyards awaits you. Where among other things, you will have a chance to see the St. Vitus Cathedral. Later in the old town, we see the St. Nicholas Church, the Tyn Church and the Old Town Hall with its Astronomical Clock (horologe) and the 12 Apostles. A history of more than 1100 years speaks for itself. The story of the Prague Castle identifies itself with the story of Prague and Christianity (860s, Chyryl and Methodius) in the Czech Republic. In 870s AD the Prince Borivoj, one of the first Czech rulers from the Royal Dynasty of Premyslids ordered the building of the Castle, originally out of timber and with a soil rampart fortification. Since 1918 the Prague Castle has served as the official residence of the president of the Republic. Lunch at Indian restaurant. You can explore the township on your own or shop around for gifts and other items. One of the Czech Republic's most famous products, Bohemian Crystal, is sold in shops throughout Prague. Czech glass is of excellent quality and much of it is hand made. Wrought iron products are another things you can look for in Prague. Bargaining in smaller shops is rampant and expected. Post shopping, we enjoy a Fountain Light show where we listen to nice music and at the same time follow a fascinating experience of the singing fountain. Join us for a show of the Krizik's fountain. It is one of most monumental illuminated fountains with music in Europe. After the show we proceed for dinner. We have an Indian Dinner at an Indian Restaurant and then proceed to the hotel.
